

EXAMPLES OF EXCELLENCE IN TEACHING GRANTS:

Integrating agricultural information, activities and resources into your teaching can take a variety of paths. You can be creative, straightforward, simple, complex, and/or predictable. The following are examples of projects from previous Excellence in Teaching grants. . . your idea could be similar or quite different from these:

Agriculture's Role in the World
From Sea to Prairie Activity
Natural Resources and Agriculture
Kansas Crops
Grains/Plants
Green house and Plants
Soil
Chicken and Incubator
Agriculture's History
Farm Life
Recycling (Compost)
Pumpkins
Milk Dispenser Machine
Making Wheat into Bread
Soil Layers
Worm Project/Plant Parts
Pumpkins
Chickens Hatching
Kansas Cattle Management/Cotton Production
Compost Garden
Compost System
Plant Life (Wheat drilling)
