

Glacier National Park & the Canadian Rockies

What do you get when you combine ancient glaciers, a legendary icefield, and all the wonders beneath the snow-capped Canadian peaks? One of the coolest vacations there is! This nine-day tour through the Canadian Rockies and Montana's Glacier National Park is an adventure filled with wild history, wild scenery, wildlife, and wild rides. Aboard a famous vintage Red Jammer, a massive ice explorer, a glass-walled boat (and even a flightseeing helicopter should you choose) you'll relish the best views of big skies, bighorn sheep, and even bigger bears. From rugged gold rush territory to the sparkling turquoise waters of Banff and Jasper National Parks, there are so many gems to sink your teeth into on this Canadian Rockies vacation. We suggest starting with a tender filet of Alberta beef and a heavenly slice of homemade huckleberry pie.
