

Kansas Farm Bureau's Leading Kids to Ag Knowledge

FOLLOW-UP STEPS

- Return leftover materials to your county coordinator.
- Fill out the "Leading Kids to Ag Knowledge" impact form and send it to your county coordinator.
- Send a follow-up email to the elementary teacher with information on how to access more lessons. Also include the county coordinator's name and contact information if they want another ag in the classroom presentation.
- Send a hand-written follow up thank you note to the teacher and the class.
