

One Day on the Farm...

A **Fire** Safety Story

A a . When find a ,
 ! day w + was
by the , out of a
 . M + was in the
+ ing put it out. , "Get out U
 hurt!" He -pin! The +
Ted + cause of *care* + less + .
should always *care* + with .

ANSWER:

A match can start a fire. When I find a fire, I shout FIRE! One day I was walking by the barn, when I saw fire shooting out of a window. My pop was in the barn helping to put it out. I shouted, "Get out before you are hurt!" He ran to safety. The fire started because of carelessness. You should always be careful with fire.
