

## FREQUENTLY ASKED QUESTIONS

---

### **How do I contribute?**

Contributions can be made online at [www.kfb.org/endlunger](http://www.kfb.org/endlunger). Checks can be made out to Kansas Farm Bureau Foundation with “End Hunger” in the memo and mailed to: Kansas Farm Bureau, 2627 KFB Plaza, Manhattan, KS 66503.

### **Can those outside of Kansas Farm Bureau participate in this effort?**

Absolutely! We encourage spreading the word far and wide as we work collectively to end hunger in Kansas. This is a great, tax-deductible opportunity for individuals, businesses and associations to make a difference in our neighbors’ lives amid challenging times. Please watch KFB’s marketing channels for approved content.

### **How do I designate which county my contribution goes toward?**

When you get to the donation page there will be a place to designate your county. We take that section seriously but the Foundation, as a public entity, cannot take direction from the donor about the ultimate recipient of funds.

We’re committed to reaching the \$1.50 per member per county goal. Excess funds will be used to support food banks and pantries, but we can’t guarantee the end location of any contribution. To do so would put the Foundation’s nonprofit status at risk.

### **What if my county has more than one food bank?**

Our goal is to alleviate hunger-related challenges made worse by COVID-19 hardships. No one knows local needs better than those in the community. We have been working with the Kansas Food Bank which maintains a list of local food banks and food pantries and will do our best to ensure that funds reach local entities that can have the greatest impact in addressing hunger needs. Contributions can be divided if more than one bank exists in county. County Farm Bureaus and FBFS Agents will be asked to offer feedback on the best places for funds.

### **What if my county doesn’t have a food bank?**

We have been working with the Kansas Food Bank which maintains a list of local food banks and food pantries and will do our best to ensure that funds reach local entities that can have

**My county already donated to a local food bank. Can that donation count towards this?**

No. To qualify for the matching contribution from the Foundation, the contributions need to run through the Foundation.

**What membership number do I (County Farm Bureau Boards and FBFS Agents) base my contribution on?**

We suggest the end of prior year's membership number and would suggest that counties identify FBFS agents with the largest numbers of client/members in a county as the focus for their partnership efforts.

**Will you provide me a receipt of my donation, for tax purposes?**

Yes, after you donate online, you will receive an email with all the pertinent tax-related information.
