

2020-2021 Casten Fellows Application Information

Applications must be completed through the online form. This document exists to help applicants consider and develop their application content with the ability to “save” information prior to completing the online form. The online form does not save information until submitted.

What You Will Need:

- Basic Contact & Background Information
- Farm Bureau Membership Number
- Names, Phone Numbers & Emails for Two References
- Your Current Passport (If You Have One)

Short Answer Questions:

1. Describe your connection to agriculture, including any specific duties and responsibilities.
2. List leadership development experiences, including general organizational involvement, leadership positions held, significant programs or events, etc. (May include both Farm Bureau and non-Farm Bureau experience.)

Date	Organization	Involvement/Leadership

3. Briefly describe the impact your involvement with Farm Bureau has had on your life.
4. What personal qualities and experiences will you bring to the Casten Fellows program that would make you an asset to the cohort?
5. Share your personal definition of leadership.
6. The Casten Fellows program is focused on developing individuals who can engage at the highest levels to enact change through meaningful relationships, innovation in ideas and processes and effective leadership.
 - a. Why are the goals of this program important to you, personally?
 - b. Why are the goals of this program important to your community and the agriculture industry at large?

Application Deadline: August 15, 2020
