

AG ACADEMY

Experience Kansas agriculture. Grow your understanding. Share the story.

See Kansas agriculture like never before. Through seven immersive, one-day experiences, you'll gain firsthand insight into the people, operations, innovations and communities that shape Kansas agriculture and our state.

YOU'LL EXPERIENCE:

- Production agriculture and farm families
- Agricultural policy and advocacy
- Commodities and specialty crops
- Transportation, trade and supply chain
- Water, technology and research
- Rural communities and agricultural partners

Open to everyone – no agricultural background or Kansas Farm Bureau membership required
