

Create Your Own GERM Display!

Follow these easy steps to create your GERM display.

1) Get five see-through containers w/ lids.

2) Type the following on labels or paper (tape or stick on side or top of containers)

☠ Begin with 5 GERMS

☠ 30 minutes later...20 GERMS!

☠ Another 30 minutes...total time 1 hour...80 GERMS!

☠ Total time 1½ hours...320 GERMS!

☠ After just two hours...1,280 GERMS!

3) Have someone who really cares about you to help count the germs (cat or dog food bits keep well).

4) Place the germs inside your containers.

5) Wash your hands. You are done.
