Reach Throw Row Go

Distributed in the
interest of Safety by:
Kansas Farm Bureau

“Most drowning victims could be saved by a non-swimmer with no formal training.”

Over 70%

of the victims couldn't swim.

Over 60%

of the victims never intended to get into the water.

Over 50%

of the victims were by themselves.

Over 50%

of the victims were within 20 feet of safety.

Think then act!!

Reach:

your arm, belt, wet clothing, towel, oar or paddle, tree branch, water ski, fishing pole, car radio or C.B. antenna

Throw:

beach ball, insulated jug, plank, foam cooler, rope, spare tire, life jacket, water ski, plastic pop or milk bottle, buoyant cushion.

Row:

rear of boat toward victim.

Go:

spare tire, cooler or lid, air mattress, inner tube, wooden table or bench.

This is only a partial list - add your own items.

Not every life saver looks like one.
